

Enrich Canvas with
interactive Adobe Connect
virtual classrooms.

Canvas Platform Integration for Adobe Connect

Our exclusive Canvas LTI integration for Adobe Connect was built to invigorate online learning. Bring interactive, mobile-compatible virtual classrooms and high quality audio options directly to your Canvas platform for one seamless user experience.

Single Sign On (SSO)

Immediate access to Adobe Connect from Canvas.

Instant Virtual Classrooms

Instant Adobe Connect virtual classroom creation from Canvas for LIVE collaboration.

Record Virtual Sessions

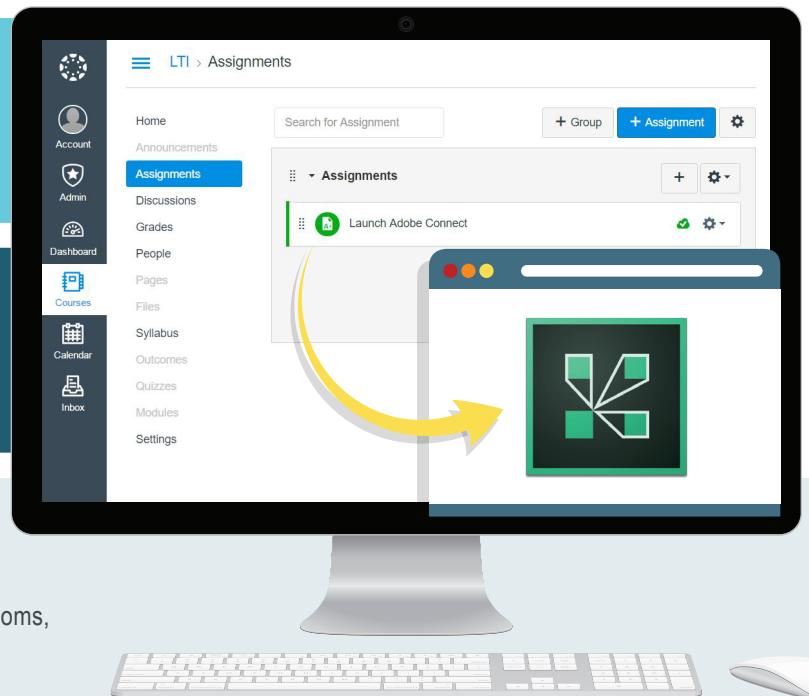

Create interactive recordings of trainings for on-demand viewing.

Easy Scheduling

Fully Secured Access

We make it simple to meet & learn!

With this convenient and simplified integration for virtual classrooms, your eLearning programs can maximize accessibility and ease.
