## Moodle Platform Integration for Adobe Connect

Our exclusive Moodle LTI integration for Adobe Connect was built to invigorate online learning. Bring interactive, mobile-compatible virtual classrooms and high quality audio options directly to your Moodle platform for one seamless user experience.

### Single Sign On (SSO)

Immediate access to Adobe Connect from Moodle.

### Instant Virtual Classrooms

Instant Adobe Connect virtual classroom creation from Moodle for LIVE collaboration.

### Record Virtual Sessions

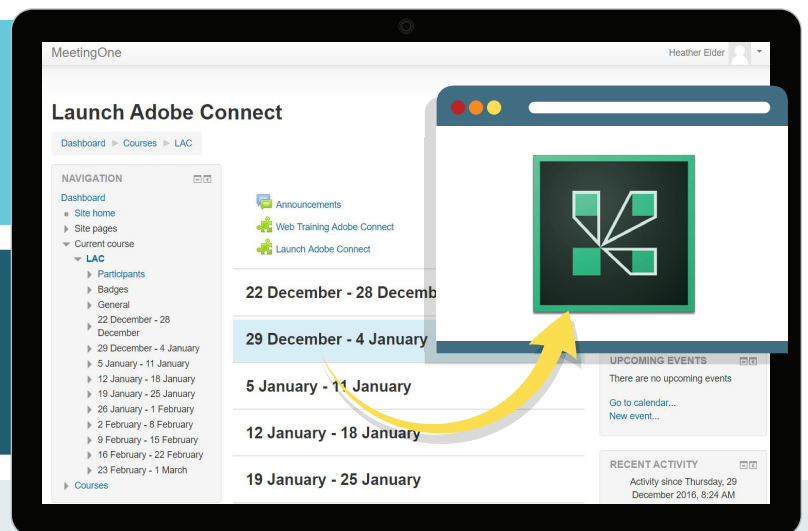

Create interactive recordings of trainings for on-demand viewing.

### Easy Scheduling

### Fully Secured Access

**We make it simple to meet & learn!**

With this convenient and simplified integration for virtual classrooms, your eLearning programs can maximize accessibility and ease.
